DECLARATION OF COVENANTS, RESTRICTIONS AND EASEMENTS
FOR WELLINGTON WALK SUBDIVISION

THIS DECLARATION OF COVENANTS, RESTRICTIONS AND EASEMENTS for WELLINGTON WALK SUBDIVISION is made this 15th day of January, 1997, by Hawg Head Development Corp., a Georgia corporation (the "Declarant").

BACKGROUND STATEMENT

Declarant is the owner of certain real property in Gwinnett County, Georgia, which is more particularly described on Exhibit "A" attached hereto and made a part hereof ("Property").

Declarant intends to develop on lands, including the real property described above, a development to be known as Wellington Walk Subdivision. Declarant intends by this Declaration to impose mutually beneficial restrictions under a general plan of improvement for the benefit of all owners of residential property within Wellington Walk Subdivision, the development made subject to this Declaration, and any other developments which are subsequently added to this Declaration pursuant to the provisions of Article X (Wellington Walk Subdivision and such other developments which are added to this Declaration are collectively referred to as "Development"), by the recording of this Declaration and amendments thereto. Declarant desires to provide a flexible and reasonable procedure for the overall development of the Development and the interrelationship between the Association (as hereinafter defined) established pursuant to this Declaration, and any recreational areas which may become a part of the Development. Declarant also desires to establish a method for the administration, maintenance, preservation, use and enjoyment of the property that is now or hereafter subjected to this Declaration and certain other properties described in this Declaration.

Declarant is causing the Association (as hereinafter defined) to be formed as a non-profit civic organization to perform certain functions for the common good and general welfare of the Owners (as hereinafter defined).

The Declarant hereby declares that all of the real property described above shall be held, sold and conveyed subject to this Declaration of Covenants, Restrictions and Easements, which is for the purpose of enhancing and protecting the value, desirability and attractiveness of the Property (as hereinafter defined). The Covenants, Restrictions and Easements set forth herein shall run with the Property, and shall be binding on all parties having or acquiring any right, title or interest in the Property or any part thereof, and shall, subject to the limitations herein provided,

inure to the benefit of each Owner, his heirs, grantees, distributees, successors and assigns and to the benefit of the Association.

(c) Any change in the grade at any point on a Lot of more than six (6) inches, whether or not subsection (b) of this Section 1.18 applies to such change.

ARTICLE II
COMMON PROPERTY

2.01 Conveyance of Common Property.

(a) The Declarant may from time to time convey to the Association or grant easements to the Association, at no expense to the Association and in accordance with this Section, real and personal property for the common use and enjoyment of the Owners of Residences (such real and personal property is hereinafter collectively referred to as "Common Property") and, to the extent set forth in this Declaration of Covenants, Restrictions and Easements, the general public. The Association hereby covenants and agrees to accept from the Declarant all such conveyances of Common Property. Any such conveyance of Common Property by Declarant to the Association will be by limited warranty deed, subject to all of the covenants and restrictions set forth in this Declaration, as amended, ad valorem taxes for the current year, all easements to which the Common Property is subject, general utility easements serving or crossing the Common Property, and all easements, licenses and other rights granted in and to the Common Property pursuant to the provisions of this Declaration, as amended.

(b) It is contemplated by the Declarant that the Declarant may convey to the Association Common Property for scenic and natural area preservation and for general recreational use. The Declarant may, at Declarant's sole discretion, modify, alter, increase, reduce and otherwise change the Common Property contemplated to be conveyed to the Association in accordance with this subsection (b) of this Section 2.01 at any time prior to conveyance of such Common Property to the Association.

(c) In addition to the property described in subsection (b) of this Section 2.01, the Declarant may convey to the Association in accordance with this Section 2.01 such other real and personal property as the Declarant may determine to be necessary or proper for the completion of the Development.

(d) Notwithstanding any legal presumption to the contrary, the fee title to, and all rights in, any portion of the Property owned by the Declarant and designated as Common Property or designated for public use shall be reserved to the Declarant until such time as the same shall be conveyed to the Association or to any municipality or other governmental body, agency or authority.

(e) Detention ponds, lakes and dams shall, without limitation, be included in the property that may be conveyed by Declarant and which shall be accepted by the Association. Declarant shall not be required to make any improvements whatsoever

to the property to be conveyed and accepted pursuant to this Section including, without limitation, dredging or otherwise removing silt from any detention pond or lake that may be conveyed.

(f) The Declarant shall have the right to dedicate or transfer fee simple title to all or any portion of the Property then owned by Declarant, including any portion thereof intended to be Common Property to Gwinnett County, Georgia, or any other public agency or authority, public service district, public or private utility, or other person, provided that Declarant then owns any Lot or Residence primarily for the purpose of sale or has the unexpired option to add any additional property to the Development.

2.02 Right of Enjoyment. Every Owner of a Residence shall have a right and easement to use and enjoy the Common Property, which right shall be appurtenant to and shall pass with the title to every Lot upon transfer; provided, however, that no Owner shall do any act which interferes with the free use and enjoyment of the Common Property by all other Owners. The Association may permit persons who are not Owners of Residences to use and enjoy part or all of the Common Property subject to such limitations, and upon such terms and conditions as it may from time to time establish. The right and easement of enjoyment granted or permitted by this Section 2.02 is subject to suspension by the Association as provided in Sections 2.03(f) and 3.05.

2.03 Rights of the Association. The rights and privileges conferred in Section 2.02 hereof shall be subject to the right, and where applicable, the obligation, of the Association acting through the Board to:

(a) promulgate rules and regulations relating to the use, operation and maintenance of the Common Property;

(b) borrow money for the purpose of carrying out the activities of the Association, including the acquisition, construction, improvement, equipping and maintenance of Common Property, and in aid thereof to encumber by deed to secure debt, mortgage or other security interest any or all of the Association's property including Common Property and revenues from assessments, user fees and other sources; and provided, however, that, during the period when the Declarant has the right to appoint members of the Board, the Association shall not deed, grant or convey to anyone any mortgage, deed to secure debt or other security interest on or in Common Property constituting real estate without approval by Declarant and a two-thirds (2/3) vote of the Members who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the By-Laws of the Association;

(c) grant easements or rights of way over Common Property to any municipality or other governmental body, agency or

authority, to any quasi-public agency or to any utility company or cable television system;

(d) dedicate or transfer all or any part of the Common Property or interests therein to any municipality or other governmental body, agency or authority for such purposes and subject to such provisions and conditions as may be agreed upon by the Association and such grantee, including a provision that such property or interest shall, if such dedication or transfer is approved by a two-thirds (2/3) vote of the Members who are present in person or by proxy and voting at a meeting of the Members duly held in accordance with the By-Laws of the Association, cease to be subject to this Declaration or all or any part of the Restrictions while held by any such municipality or other governmental body, agency or authority;

(e) charge reasonable fees in connection with the admission to and use of facilities or services by Members and non-members; provided that in setting any such fee the Board may establish reasonable classifications which shall be uniform within each such class but need not be uniform between such classes;

(f) suspend, pursuant to Section 3.05, the voting rights of any Member and the right of enjoyment granted or permitted by Section 2.02;

(g) to sell, lease or otherwise convey all or any part of its properties and interest therein;

(h) enforce all applicable provisions of valid agreements of the Association relating to the Common Property or any part thereof; and

(i) maintain any and all landscaping treatments previously installed by the Declarant, to the extent that such landscaping is not otherwise maintained by the appropriate county and/or municipal entity having jurisdiction over the roads for Gwinnett County, Georgia.

2.04 Conveyance of Common Property by Declarant to Association. The Declarant may transfer or convey to the Association any personal property and any improved or unimproved property, leasehold, easement or other property interest which is or may be subjected to the terms of this Declaration. Such conveyance shall be accepted by the Association, and the property shall thereafter be Common Property to be maintained by the Association for the benefit of all its Members.

2.05 Types of Common Property. At the time of the conveyance of any real property or grant of easement by the Declarant to the Association to be used as Common Property, the Declarant shall designate in the deed of conveyance or easement

that such real property is to be Common Property, and further may designate in the deed of conveyance or easement the specific or general purpose or purposes for which such real property or any portion thereof may be used, and in such event, such real property or portion thereof shall not, without a two-thirds (2/3) vote of the Members of the Association, be used for any different purpose or purposes without the prior written consent of the Declarant.

2.06 Delegation of Use. Any Owner may delegate to the members of his family or his tenants who reside on a Lot, in accordance with the By-Laws, his right to use and enjoy the Common Property.

2.07 Maintenance. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair and replacement, subject to any insurance then in effect, of all landscaping and improvements situated on the Common Property. In addition, the Association shall maintain grass and other landscaping located along or in dedicated rights of way which were installed and maintained by Declarant, to the extent permitted by the applicable governmental authority. The foregoing maintenance shall be performed consistent with the Development-Wide Standard. Despite anything contained in this Declaration to the contrary, however, the Association shall have no obligation to maintain and keep in good repair any landscaping, grass, or any other form or any other Structure which is placed by an Owner or Occupant within that portion of such Owner's or Occupant's Lot which is either included within or abuts any Common Property or any dedicated rights-of-way; but nothing contained in this sentence shall be deemed to give any Owner or Occupant the right to place any landscaping, grass or other Structure within such Common Property or dedicated rights-of-way contrary to any other provisions of the Declaration.

The Association shall also have the right, but not the obligation to maintain and provide services for other property not owned by the Association, whether located within or without the boundaries of the Development, and to enter into easements and covenants to share cost agreements regarding such property where the Board has determined that this would benefit Owners.

ARTICLE III HOMEOWNERS' ASSOCIATION, INC.

3.01 Purposes, Powers and Duties of the Association. The Association shall be formed as a non-profit civic organization for the sole purpose of performing certain functions for the common good and general welfare of the people of the Development. The Association shall have no power or duty to do or perform any act or thing other than those acts and things which will promote in some way the common good and general welfare of the people of the Development.

To the extent, and only to the extent, necessary to carry out such purpose, the Association (a) shall have all of the powers of a corporation organized under the Georgia Nonprofit Corporation Code and (b) shall have the power and duty to exercise all of the rights, powers and privileges and to perform all of the duties and obligations of the Association as set forth in this Declaration.

3.02 Membership in the Association. Every Owner shall automatically be a Member of the Association and such membership shall terminate only as provided in this Declaration of Covenants, Restrictions and Easements. For purposes of voting, there shall be two (2) classes of Members as set forth in Section 3.03.

3.03 Voting Rights.

(a) Each Owner of a Residence, with the exception of Declarant, shall be a Class A Member and shall be entitled to one (1) Class A vote per Residence. Where such Owner is a group or entity other than one individual person, the vote on behalf of such Owner shall be exercised only by such individual person as shall be designated in a proxy instrument duly executed by or on behalf of such group or entity and delivered to the secretary of the Association.

(b) The Declarant shall be the sole Class B Member and shall be entitled to three (3) votes for each Lot or Residence owned; provided, however, in no event shall the Class B Member have less than the total number of Class A votes plus one (1). The Class B Membership shall cease and be converted to Class A Membership at such time as Declarant no longer retains the right to appoint and remove members of the Board and officers of the Association pursuant to Section 3.08 below.

(c) The Development will be composed of Lots to be developed in phases containing unequal numbers of Lots. Each such phase will be platted of record in the Office of the Clerk of the Superior Court of Gwinnett County in accordance with Article X of this Declaration. The Declarant shall notify the Association in writing when the final phase of the Development has been so platted of record. By acceptance of a deed conveying a Lot, each Owner acknowledges that, upon the filing by Declarant of the subdivision plats covering such phases, the total votes outstanding in the Association will automatically increase based upon the number of Lots in the phases added and in accordance with the formula set forth in subsection (b) of this Section 3.03 and in no event shall Class B Membership cease and be converted to Class A Membership (as provided in subsection (b) of this Section 3.03) until after the Association receives the written notice provided for in the preceding sentence; provided, however, nothing contained herein shall obligate the Declarant to develop any proposed phase of the Development unless such phase is subjected to this Declaration.

3.04 Board of Directors. The affairs of the Association shall be managed by a Board of Directors. The number of Directors and the method of election of Directors shall be as set forth in the By-Laws of the Association.

3.05 Suspension of Membership. The Board may suspend the voting rights of any Member and the right of enjoyment of the Common Property of any person who:

(a) shall be subject to the Right of Abatement, as defined in Section 8.02 by reason of having failed to take the reasonable steps to remedy a violation or breach of either the Restrictions or the Design Standards of the ACC (as herein defined) within thirty (30) days after having received notice of the same pursuant to the provisions of Section 5.11, 6.14 or 8.02 hereof;

(b) shall be delinquent in the payment of any assessment levied by the Association pursuant to the provisions of Article IV hereof; or

(c) shall be in violation of the rules and regulations of the Association relating to the use, operation and maintenance of Common Property. Such suspension shall be for the balance of the period in which said Member or person shall remain in violation, breach or default, as aforesaid, except that in the case of a violation described in subsection (c) of this Section 3.05, the suspension may be for a period not to exceed 60 days after the cure or termination of such violation. No such suspension shall prevent an Owner's ingress to or egress from his Lot.

3.06 Termination of Membership. Membership shall cease only when a person ceases to be an Owner.

3.07 Voting Procedures. The procedures for the election of Directors of the Association and the resolution of such other issues as may be brought before the membership of the Association shall be governed by this Declaration, the Georgia Nonprofit Corporation Code, the Articles of Incorporation of the Association, and the By-Laws of the Association, as each shall from time to time be in force and effect.

3.08 Control by Declarant.

(a) Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles of Incorporation, or in the Bylaws of the Association, Declarant hereby retains the right to appoint and remove any members of the Board of the Association and any officer or officers of the Association until 15 days after the first of the following events shall occur: (i) the expiration of twenty (20) years after the date of the recording of this Declaration; (ii) the date upon which all of the Residences intended by Declarant to be a part of the Development have been

conveyed by Declarant to Owners other than a person or persons constituting Declarant; or (iii) the surrender by Declarant of the authority to appoint and remove directors and officers by an express amendment to this Declaration executed and recorded by Declarant, provided, however, that the Owners may be entitled to elect certain members of the Board of the Association in accordance with the terms of the By-Laws of the Association which shall not be removable by the Declarant acting alone.

(b) Upon the expiration of the period of Declarant's right to appoint and remove directors and officers of the Association pursuant to the provisions of this Section, such right shall automatically pass to the Owners, including Declarant if Declarant then owns one or more Lots; and a special meeting of the Association shall be called at such time. At such special meeting, the Owners shall elect a new Board of Directors which shall undertake the responsibilities of the Board and the Declarant shall deliver the books, accounts, and records, if any, which Declarant has kept on behalf of the Association and any agreements or contracts executed by or on behalf of the Association during such period which Declarant has in its possession. Each Owner by acceptance of a deed to or other conveyances of a Lot vests in Declarant such authority to appoint and remove directors and officers of the Association as provided in this Section. The Association may exercise any other right or privilege given to it expressly by this Declaration or by law and any other right or privilege reasonably to be implied from the existence of any right or privilege given to it herein or reasonably necessary to effectuate any such right or privilege.

3.09 Association's Responsibility. Except as may be herein otherwise specifically provided, the Association shall maintain and keep in good repair all portions of the Common Property, which responsibility shall include the maintenance, repair, and replacement of the Common Property, including but not limited to the maintenance, repair, and replacement of (i) all roads, walks, trails, parking lots, landscaped areas, recreational areas, and other improvements made by Declarant or the Association situated within the Common Property, encumbering Lots or Residences; (ii) such security systems and utility lines, pipes, plumbing, wires, conduits, and related systems which are a part of the Common Property and which are not maintained by a public authority, public service district, public or private utility, or other person; (iii) all lawns, trees, shrubs, hedges, grass, and other landscaping and all lakes and ponds situated within or upon the Common Property; and (iv) all retention areas and facilities constructed by Declarant wherever located. The Association shall not be liable for injury or damage to any person or property (A) caused by the elements or by any Owner or any other person, (B) resulting from any rain or other surface water which may leak or flow from any portion of the Common Property, or (C) caused by any pipe, plumbing, drain, conduit, appliance, equipment, security system, or

utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner for loss or damage, by theft or otherwise, of any property of such Owner which may be stored in or upon any portion of the Common Property or any other portion of the Property. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or to perform some function required to be taken or performed by the Association under this Declaration, or for inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay such assessments being a separate and independent covenant on the part of each Owner. This Section 3.09 is subject to the express provisions in Section 2.07, relieving the Association from maintaining certain landscaping, grass or other Structures which are installed by Owners or Occupants in the instances provided in such Section 2.07.

ARTICLE IV ASSESSMENTS

4.01 Covenant for Assessments and Creation of Lien and Personal Obligation. Each Owner of a Residence, jointly and severally, for himself, his heirs, distributees, legal representatives, successors and assigns, by acceptance of a deed for a Residence, whether or not the covenants contained herein shall be expressed in any such deed, hereby covenants and agrees as follows:

(a) to pay to the Association the annual assessments which may or shall be levied by the Association pursuant to this Declaration against all Residences owned by him;

(b) to pay to the Association any special assessments for capital improvements and other charges which may or shall be levied by the Association pursuant to this Declaration against all Residences owned by him;

(c) that there is hereby created a continuing charge and lien upon all Residences owned by him against which all such assessments are made to secure payment of such assessments and any interest thereon as provided in Section 4.09 hereof and costs of collection including reasonable attorneys' fees;

(d) that such continuing charge and lien on such Residence binds such Residence in the hands of the then Owner, and the Owner's heirs, devisees, legal representatives, successors and assigns. Such charge and lien is superior to any and all charges, liens or encumbrances which may hereafter in any manner arise or be

imposed upon such Lots whether arising from or imposed by judgment or decree or by any agreement, contract, mortgage, deed to secure debt, or other instrument, except (i) such liens for taxes or other public charges as are by applicable law made superior, and (ii) all deeds to secure debt given to secure a loan the proceeds of which are used (1) to purchase a Residence or Residences (together with any and all Structures which may from time to time be placed or located thereon) and (2) to finance the construction or repair or alteration of Structures.

(e) that no sale or transfer at foreclosure or in lieu of foreclosure shall relieve any Residence from liability for any assessment thereafter assessed;

(f) that all annual, special and specific assessments (together with interest thereon as provided in Section 4.09 of this Declaration and costs of collection including reasonable attorneys' fees) levied against any Residence owned by him during the period that he is an Owner shall be (in addition to being a continuing charge and lien against such Residence as provided in Section 4.01(c) of this Declaration) a personal obligation which will survive any sale or transfer of the Residence owned by him; provided, however, that such personal obligation for delinquent assessments shall not pass to Owner's successor in title unless expressly assumed by such successor.

4.02 Purpose of Assessment. The assessments levied by the Association shall be used exclusively for the purpose of providing for the common good and general welfare of the people of the new community of the Development, including but not limited to, security, the acquisition, construction, improvement, maintenance and equipping of Common Property, the enforcement of the Restrictions contained in this Declaration, the enforcement of the Design Standards of the ACC, the payment of operating costs and expenses of the Association and the payment of all principal and interest when due on all debts owed by the Association.

4.03 Accumulation of Funds Permitted. The Association shall not be obligated to spend in any calendar year all the sums collected in such year by way of annual assessments or otherwise, and may carry forward, as surplus, any balances remaining; nor shall the Association be obligated to apply such surplus to the reduction of the amount of the Annual Assessments in any succeeding year, but may carry forward from year to year such surplus as the Board may deem to be desirable for the greater financial security of the Association and the effectuation of its purposes.

4.04 Annual Assessment.

(a) Beginning on the Commencement Date and continuing thereafter until January 1 of the year immediately following the Commencement Date, each Lot shall be subject to an annual

assessment as established by the Board. In the event that the Commencement Date falls on a day other than January 1, the annual assessment for such year shall be prorated so that each Owner pays an annual assessment proportional to the number of days remaining in the calendar year. The words "Assessment Year" as used herein shall mean the calendar year with the first Assessment Year commencing on January 1 of the year immediately following the Commencement Date. For so long as Declarant has the right to appoint and remove Directors and Officers of the Association, the annual assessment shall not be reduced below the amount initially established by the Board without the express written consent of Declarant.

(b) Commencing with the first Assessment Year and continuing thereafter, the annual assessment may be increased at any time and from time to time during each Assessment Year at not more than thirty-three and one-third percent (33.33%) above the annual assessment for the previous Assessment Year without a vote of the Membership.

(c) Commencing with the first Assessment Year and continuing thereafter, the annual assessment for each Assessment Year may at any time and from time to time be increased more than thirty-three and one-third percent (33.33%) above the maximum annual assessment for the previous Assessment Year if such increase is approved by a two-thirds (2/3) vote of the Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association and this Declaration.

4.05 Special and Parcel Assessments.

(a) In addition to the annual assessments authorized by this Article IV, the Association may levy, in any Assessment Year and with such frequency as the Association shall deem necessary, special assessments for the purpose of paying, in whole or in part, any unanticipated operating expenses, as well as the cost of any construction, reconstruction, repair or replacement of a capital improvement on the Common Property. Such special assessments may be levied by the Board in any Assessment Year without the approval of the Members, which special assessments in the aggregate do not exceed an amount equal to the annual assessment then in effect. Special assessments exceeding said amount shall require the approval of two-thirds (2/3) of the Members of the Association who are present in person or by proxy at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association and this Declaration.

(b) The Association shall also be authorized to levy, in any Assessment Year and with such frequency as the Association shall deem necessary, Parcel Assessments for the purpose of paying, in whole or in part, the cost of estimated expenses for the sole

benefit of a particular Parcel, which Parcel Assessments shall be allocated equally among the Residences in a Parcel.

4.06 Assessment Procedure.

(a) The Board shall establish the annual assessment for each Assessment Year at an amount not in excess of the maximum annual assessment as determined by the provisions of this Article IV, and shall also establish the date during the Assessment Year on which the annual assessment shall be due and payable (such date is hereinafter referred to as the "Due Date"). The Board shall also establish an annual budget which shall list the estimated operating expenses and shall contain an amount to be set aside each year into a reserve allowance to be used for future repair and replacement of the Common Property; provided, however, in no event shall the Board be required to provide for a reserve sufficient to cover all such future repair and replacement of the Common Property, it being intended that portion of such costs will be covered by Special Assessment. The Board shall cause the Association to send to each Owner at least thirty (30) days in advance of the Due Date written notice setting forth the amount of the annual assessment and the Due Date. The annual assessment shall become due on the thirtieth (30th) day following such written notice or the Due Date, whichever is later. The Board may establish reasonable payment procedures to allow or require payment of the annual assessment in installments during the Assessment Year. The Board shall also establish payment procedures for payment of any special assessments for capital improvements which may be levied in accordance with the provisions of this Article IV.

(b) All Members of the Association shall be given written notice by the Board not less than thirty (30) nor more than sixty (60) days in advance of any meeting of the Members of the Association at which the Board shall propose taking action pursuant to Section 4.04(c) and Section 4.05 of this Article IV. Such written notice shall specify under which Section or Sections the Board will propose action. At such meeting, the presence of Members or proxies entitled to cast fifty percent (50%) of the total votes outstanding shall constitute a quorum. If the required quorum is not present at such meeting, a second meeting may be called by the Board subject to the same notice requirement and the required quorum at such second meeting shall be thirty percent (30%) of the total votes outstanding. No such second meeting shall be held more than sixty (60) days following the first meeting. If the required quorum is not present at the second meeting, the Board may take such action without approval of the Members. Notwithstanding the required quorum requirements stated herein, a minimum vote of fifty-one percent (51%) of all of the votes of the Association shall be required to disapprove the Association's annual budget.

4.07 Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Residences.

4.08 Contribution by Declarant. For so long as Declarant has the authority to appoint and remove Directors and Officers of the Association, Declarant shall not be liable for the payment of any assessments. Provided, however, during said period Declarant shall advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for the reserve allowance), and the sum of annual, special and specific assessments collected by the Association in any Assessment Year, and such advances shall be evidenced by promissory notes from the Association to Declarant bearing interest at the annual rate of twelve (12.00%) percent and having payment schedules and maturity dates as agreed between Declarant and the Association, but failing such agreement, being demand notes.

4.09 Effect of Nonpayment of Assessments. Any Assessment which is not paid on or before the Due Date shall bear interest after the Due Date at the lower of the highest legal rate of interest which can be charged or the rate of eighteen percent (18%) per annum or at such rate as the Board may from time to time establish, provided, however, that in no event shall the Board have the power to establish a rate of interest in violation of the laws of the State of Georgia. In the event of default in the payment of any one or more installments of an assessment, the Board may declare any remaining balance of the assessment at once due and payable. In the event that an Owner shall fail to pay fully any portion of any assessment prior to the date on which payment is due, such unpaid portion (including any remaining balance declared immediately due and payable in accordance with the preceding sentence), together with interest and costs of collection including reasonable attorneys' fees, shall be a binding personal obligation of such Owner, as well as a lien on such Owner's Residence, enforceable in accordance with the provisions of this Declaration.

4.10 Certificate of Payment. Upon written demand by an Owner, the Association shall within a reasonable period of time issue and furnish to such Owner a written certificate stating that all assessments (including penalties, interest and costs, if any) have been paid with respect to any Lot owned by said Owner as of the date of such certificate, or that all assessments, interest and costs have not been paid setting forth the amount then due and payable. The Association may make a reasonable charge for the issuance of such certificate. Any such certificate, when duly issued as herein provided, shall be conclusive and binding with regard to any matter therein stated as between the Association and any bona fide purchaser of, or lender on, the Lot in question.

4.11 Approval by Declarant. Notwithstanding anything to the contrary contained herein, no special assessment shall be made

without the Approval of Declarant for so long as Declarant has the right to appoint officers and directors of the Association.

4.12 Specific Assessments. The Board shall have the power to specifically assess pursuant to this Section as, in its discretion, it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future with respect to any expenses, including any expense for which the Board has not previously exercised its authority under this Section. The Board may specifically assess Owners for the following expenses, except for expenses incurred for maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(a) Expenses of the Association which benefit less than all of the Residences, which may be specifically assessed equitably among all of the Residences which are benefitted according to the benefit received;

(b) Expenses incurred by the Association pursuant to Section 6.14 hereof; and

(c) Reasonable fines as may be imposed in accordance with the terms of the Declaration and By-Laws.

4.13 Working Capital Fund. A working capital fund shall be established for the initial period of operations equal to two monthly installments of annual assessments for each Residence. Each Residence's share of the working capital fund shall be paid by the Residence Owner to the Association upon the closing of the first sale of the Residence. If additional property is brought within the scheme of this Declaration and made a part of the Properties and Declarant has conveyed Common Properties to the Association, the share of the working capital fund for each Lot thus added shall be collected and transferred to the Association at the time of closing of the sale of each such Lot; provided, however, that the contribution to the working capital fund for each such Lot not theretofore conveyed to a purchaser by the person adding same to the Properties eighteen (18) months after the date on which the first Lot in any particular phase is so conveyed shall be paid to the Association by such person within ten (10) days after said eighteen (18) months. The purpose of the working capital fund shall be to insure that the Association will have cash available to meet unforeseen expenditures or to acquire additional equipment or services deemed necessary or desirable by the Association. Amounts paid into the working capital fund shall not be considered as advance payment of any annual or special assessment. Each Lot shall be subject to a lien for the payment of such working capital fund in the same manner as the lien for assessments and other charges provided for herein.

4.14 Membership Fee. The owner of each Lot at the time the same is first used for purposes of residential occupancy and all previous owners of such Lot shall be exempt from payment of any membership fee to the Association. Each subsequent owner, however, shall pay to the Association a membership fee in such amount as may from time to time be determined by the Association's Board of Directors; provided, however, that such amount shall not exceed the amount of the annual assessment for such Lot. The membership fee shall be paid to the Association within ten days after the time of closing of the sale of each such Lot to a subsequent owner obligated for the payment of same. Each Lot shall be subject to a lien for the payment of such membership fee in the same manner as the lien for assessments and other charges provided for herein.

ARTICLE V
ARCHITECTURAL CONTROL

5.01 Architectural Control Committee - Creation and Composition.

(a) An Architectural Control Committee (the "ACC") shall be established consisting of not less than one (1) or more than five (5) individuals, provided, however, that the ACC shall always have an uneven number of members. Notwithstanding anything to the contrary contained herein, Declarant shall have the right, but not the obligation, to appoint all Members of the ACC until the plans for all of the Residences for all of the Lots in the Development have been approved by the ACC. Thereafter, the Board shall appoint the Members of the ACC. All costs of operating the ACC may, at the discretion of Declarant, be borne by the Association.

(b) Each initial Member of the ACC shall be appointed for a term expiring on December 31, 1998. Thereafter, each Member of the ACC shall be appointed for a calendar-year term. If any vacancy shall occur in the Membership of the ACC by reason of death, incapacity, resignation, removal or otherwise, the remaining members of the ACC shall continue to act and such vacancy shall subject to the provisions of 5.01(a) be filled by the Declarant (or Board if at the time the Board has the right to appoint members of the ACC) at the earliest possible time. Any ACC member may resign at any time by giving written notice of such resignation to the Chairman of the ACC and such resignation shall take effect on receipt thereof by the Chairman. Any member of the ACC may be removed at any time with or without cause by the Declarant (or Board if at the time the Board has the right to appoint members of the ACC).

5.02 Purpose, Powers and Duties of the ACC. The purpose of the ACC is to assure that any installation, construction or alteration of any Structure on any Lot shall be submitted to the ACC for approval (i) as to whether the proposed installation, construction or alteration is in conformity and harmony of external

design and general quality with the existing standards of the neighborhood and with the standards of the Development, and (ii) as to the location of Structures with respect to topography, finished ground elevation and surrounding Structures. To the extent necessary to carry out such purpose, the ACC shall have all of the powers and duties to do each and every thing necessary, suitable, convenient or proper for, or in connection with, or incidental to, the accomplishment of such purpose, including, without being limited to, the power and duty to approve or disapprove plans and specifications for any installation, construction or alteration of any Structure on any Lot.

5.03 Officers, Subcommittees and Compensation. The Members of the ACC shall appoint a Chairman from among their number and may appoint from among their number such other officers and subcommittees of Members of the ACC as they shall from time to time determine necessary. The Members of the ACC shall be reimbursed by the Association for traveling expenses and other reasonable out-of-pocket costs incurred in the performance of their duties as Members of the ACC.

5.04 Operations of the ACC.

(a) Meetings. The ACC shall hold regular meetings at least annually or more often as may be established by the ACC. Special meetings may be called by the Chairman and shall be called by the Chairman upon the written request of a majority of the Members of the ACC then in office. Regular and special meetings of the ACC shall be held at such time and at such place as the ACC shall specify. Notice of each regular or special meeting of the ACC shall be mailed to each Member thereof at his Residence or at his usual place of business at least three (3) days before the day the meeting is to be held. Notice of regular and special meetings need not specify the purpose or purposes for which the meeting is called. Notice of a meeting need not be given to any Member of the ACC who signs a waiver of notice either before or after the meeting. Attendance of a Member of the ACC at a meeting shall constitute a waiver of notice of such meeting and shall constitute a waiver of any and all objections to the place of the meeting, the time of the meeting, or the manner in which it has been called or convened, except when the Member states, at the beginning of the meeting, any such objection or objections to the transaction of business. At each meeting of the ACC, the presence of a majority of the Members then in office shall constitute a quorum for the transaction of business. Except as otherwise provided herein, the act of a majority of the Members of the ACC present at any regular or special meeting thereof at which a quorum is present shall constitute the act of the ACC. In the absence of a quorum, any Member of the ACC present at the time and place of the meeting may adjourn the meeting from time to time until a quorum shall be present. At any adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted at

the meeting as originally called. The ACC shall maintain both a record of votes and minutes for each of its meetings. The ACC shall make such records and minutes available at reasonable places and times for inspection by Members of the Association and by the Secretary. Any action required to be taken at a meeting of the ACC, or any action which may be taken at a meeting of the ACC, may be taken without a meeting if written consent, setting forth the action so taken, shall be signed by all the Members of the ACC and be filed within the minutes of the proceedings of the ACC. Such consent shall have the same force and effect as a unanimous vote, and may be stated as such in any document filed by the ACC.

(b) Activities.

(i) The ACC shall adopt and promulgate the Design Standards described in Section 5.05 hereof and shall, as required, make findings, determinations, rulings, and orders with respect to the conformity with said Design Standards of plans and specifications to be submitted for approval to the ACC pursuant to the provisions of this Declaration. The ACC shall, as required, issue permits, authorizations or approvals, which may include specified requirements or conditions, pursuant to the provisions of this Declaration.

(ii) Except where the ACC has only one (1) Member, any two (2) or more Members of the ACC may be authorized by the ACC to exercise the full authority of the ACC with respect to all matters over which the ACC has authority as may be specified by resolution of the ACC, except with respect to the adoption or promulgation of the Design Standards. The unanimous action of the two (2) or more Members with respect to the matters specified shall be final and binding upon the ACC and upon any applicant for an approval, permit or authorization, subject, however, to review and modification by the ACC on its own motion or appeal by the applicant to the ACC as provided in this paragraph (ii). Written notice of the decision of such two (2) or more Members shall, within five (5) working days thereof, be given to any applicant for an approval, permit or authorization. The applicant may, within ten (10) days after receipt of notice of any decision which he deems to be unsatisfactory, file a written request to have the matter in question reviewed by the ACC. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to, and reviewed promptly by, the ACC, but in no event later than thirty (30) days after the filing of such request. The decision of a majority of the Members of the ACC with respect to such matters shall be final and binding.

5.05 Design Standards.

(a) The ACC shall from time to time adopt, promulgate, amend, revoke and enforce guidelines (the "Design Standards") for the purposes of:

(i) governing the form and content of plans and specifications to be submitted to the ACC for approval pursuant to the provisions of this Declaration;

(ii) governing the procedure for such submission of plans and specifications;

(iii) establishing guidelines with respect to the approval and disapproval of design features, architectural styles, exterior colors and materials, details of construction, location and size of Structures and all other matters that require approval by the ACC pursuant to this Declaration; and

(iv) assuring the conformity and harmony of external design and general quality of the Development.

(b) The ACC shall make a published copy of its current Design Standards readily available to Members and prospective Members of the Association and to all applicants seeking the ACC's approval.

5.06 Submission of Plans and Specifications. No Structure shall be commenced, erected, placed, moved onto or permitted to remain on any Lot nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance of the Structure or Lot, unless plans and specifications therefor shall have been submitted to and approved in writing by the ACC. Such plans and specifications shall be in such form and shall contain such information as may be reasonably required by the ACC in the Design Standards, including, without being limited to:

(a) a site plan showing the location of all proposed and existing Structures on the Lot including building setbacks, open space, driveways, walkways and parking spaces including the number thereof and all siltation and erosion control measures;

(b) a foundation plan;

(c) a floor plan;

(d) exterior elevations of all proposed Structure and alterations to existing Structure, as such Structures will appear after all back-filling and landscaping are completed;

(e) specifications of materials, color scheme, lighting scheme and other details affecting the exterior appearance of all proposed Structures and alterations to existing Structures; and

(f) plans for landscaping and grading.

5.07 Approval of Plans and Specifications. Upon approval by the ACC of any plans and specifications submitted pursuant to this

Declaration, two (2) copies of such plans and specifications, as approved, shall be deposited for permanent record with the ACC and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same. Approval for use in connection with any Lot or Structure of any plans and specifications shall not be deemed a waiver of the ACC's right, in its discretion, to disapprove similar plans and specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use in connection with any other Lot or Structure. Approval of any such plans and specifications relating to any Lot or Structure, however, shall be final as to that Lot or Structure and such approval may not be revoked or rescinded thereafter, provided that there has been adherence to, and compliance with, such plans and specifications, as approved, and any conditions attached to any such approval.

5.08 Disapproval of Plans and Specifications. The ACC shall have the right to disapprove any plans and specifications submitted pursuant to this Declaration because of any of the following:

(a) the failure to include information in such plans and specifications as may have been reasonably requested;

(b) the failure of such plans or specifications to comply with this Declaration or the Design Standards;

(c) any other matter which, in the judgment of the ACC, would be likely to cause the proposed installation, construction or alteration of a Structure (i) to fail to be in conformity and harmony of external design and general quality with the standards for the Development as set forth in the Design Standards or the Development-Wide Standard, or (ii) as to location to be incompatible with topography, finished ground elevation and surrounding Structures. In any case in which the ACC shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the ACC shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal may be prepared and submitted for approval.

5.09 Obligation to Act. The ACC shall take action on any plans and specifications submitted as herein provided within thirty (30) days after receipt thereof. Approval by the ACC, if granted, together with any conditions imposed by the ACC, shall be placed in writing on the plans and specifications and shall be returned to the Applicant. Failure by ACC to take action within thirty (30) days of receipt of plans and specifications submitted for approval shall be deemed approval of such plans and specifications.

5.10 Inspection Rights. Any employee or agent of the Association or the ACC may, after reasonable notice, at any reasonable time or times enter upon any Lot and Structure thereon for the purpose of ascertaining whether the installation, construction, alteration or maintenance of any Structure or the use of any Lot or Structure is in compliance with the provisions of this Declaration; and neither the Association, nor the ACC, nor any such agent shall be deemed to have committed a trespass or other wrongful act solely by reason of such entry or inspection, provided such inspection is carried out in accordance with the terms of this Section.

5.11 Violations. If any Structure shall be erected, placed, maintained or altered upon any Lot, otherwise than in accordance with the plans and specifications approved by the ACC pursuant to the provisions of this Article, such erection, placement, maintenance or alteration shall be deemed to have been undertaken in violation of this Article and without the approval required herein. If in the opinion of the ACC such violation shall have occurred, the ACC shall notify the Association, and the Board shall provide written notice to the Owner by certified mail, return receipt requested, setting forth in reasonable detail the nature of the violation and the specific action or actions required to remedy the violation. If the Owner shall not have taken reasonable steps toward the required remedial action within thirty (30) days after the mailing of the aforesaid notice of violation, then the Association shall have the Right of Abatement as provided in Section 8.02 hereof.

5.12 Certificate of Compliance.

(a) Upon completion of the installation, construction or alteration of any Structure in accordance with plans and specifications approved by the ACC, the ACC shall, upon written request of the Owner thereof or upon the ACC's own initiative, issue a Certificate of Compliance, identifying such Structure and the Lot upon which such Structure is placed, and stating that the plans and specifications have been approved and that such Structure complies with such plans and specifications. A copy of said Certificate shall be filed for permanent record with the plans and specifications on file with the ACC.

(b) Any Certificate of Compliance issued in accordance with the provisions of this Section shall be prima facie evidence of the facts therein stated; and as to any purchaser or encumbrancer in good faith and for value, as to any title insurer, such Certificate shall be conclusive evidence that all Structures on the Lot comply with all the requirements of this Article, provided, however, that the Certificate shall in no way be construed to certify the acceptability, sufficiency or approval by the ACC of the actual construction of Structures or of the workmanship, or to represent or warrant to anyone the quality,

function or operation of the Structures or of any construction, workmanship, engineering, materials or equipment.

The issuance of the Certificate shall in no way be construed to certify to any party that the Structures have been built in accordance with any applicable rule or regulation.

5.13 Fees. The ACC may impose and collect a reasonable and appropriate fee to cover the cost of review of plans and of inspections performed pursuant to Section 5.10. The fee shall be established from time to time by the ACC and published in the Design Standards.

5.14 Nondiscrimination by ACC. The ACC shall not discriminate against any applicant requesting its approval of plans and specifications because of such applicant's race, color, sex, religion, age or national origin. Further, the ACC in the exercise of its powers granted pursuant to this Declaration shall not take any action the intent or effect of which is to discriminate against persons of a particular race, color, sex, religion, age or national origin.

5.15 Disclaimer as to ACC Approval. P l a n s a n d specifications are not reviewed for engineering or structural design or quality of materials or compliance with any local, state, or federal law including local building codes and zoning ordinances, and by approving such plans and specifications neither the ACC, the Members thereof, nor the Association assumes liability or responsibility therefor, nor for any defect in any Structure constructed from such plans and specifications. Neither Declarant, the Association, the ACC, the Board, nor the officers, directors, members, employees, and agents of any of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval, or to any Owner of property affected by these Restrictions by reason of mistake in judgment, negligence, or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans and specifications. Every person who submits plans and specifications and every Owner agrees that he will not bring any action or suit against Declarant, the Association, the ACC, the Board, or the officers, directors, members, employees, and agents of any of them to recover any such damages and hereby releases, remises, quit-claims, and covenants not to sue for all claims, demands, and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands, and causes of action not known at the time the release is given.

5.16 Approval of Architect and Builder. No improvements of any nature whatsoever shall be commenced, constructed, altered, added to or maintained upon any part of the Property (except for

Residences and other improvements which are constructed by Declarant and for improvements which pursuant to this Article V do not require the consent of the ACC) unless and until the ACC has approved in writing the proposed architect (if any) and builder of such improvements.

ARTICLE VI
GENERAL COVENANTS AND RESTRICTIONS

6.01 Application. The covenants and restrictions contained in this Article VI shall pertain and apply to all Lots and to all Structures erected or placed thereon.

6.02 Dwelling Size; Garage. No dwelling shall be permitted on any Lot with less than 1,600 square feet of Living Space. Each dwelling shall have at least a two car garage.

6.03 Resubdivision of Property. No Lot may be split, divided, or subdivided for sale, resale, gift, transfer or otherwise without the prior written approval of the ACC of plans and specifications for such split, division or subdivision. Notwithstanding the foregoing, nothing herein shall prevent Declarant or the Owners of any Lots from combining two or more Lots into one Lot for construction of a single Residence thereon; provided, however, that such combined Lot may not be subdivided thereafter; and provided further, that the Owner of the Residence on such Lot shall be responsible for annual and special assessments based upon the number of Lots combined into one Lot.

6.04 Erosion Control. No activity which may create erosion or siltation problems shall be undertaken on any Lot without the prior written approval of the ACC of plans and specifications for the prevention and control of such erosion or siltation. The ACC may, as a condition of approval of such plans and specifications, require the use of certain means of preventing and controlling such erosion or siltation. Such means may include (by way of example and not of limitation) physical devices for controlling the run-off and drainage of water, special precautions in grading and otherwise changing the natural landscape and required landscaping as provided for in Section 6.05. Guidelines for the prevention and control of erosion and siltation may be included in the Design Standards of the ACC.

6.05 Landscaping. 8.03 Specific Performance. Nothing contained in this Declaration shall be deemed to affect or limit the rights of the Declarant, the Association or any Owner to enforce the Restrictions by appropriate judicial proceedings or to recover damages. However, it is hereby declared that it may be impossible to measure accurately in money the damages which will accrue to a beneficiary hereof, its transferees, successors or assigns, by reason of a violation of, or failure to perform any of the obligations provided by this Declaration; and therefore any beneficiary hereof shall be entitled to relief by way of injunction or specific performance, as well as any other relief available at law or in equity to enforce the provisions hereof.

EACH OWNER, BY ACCEPTANCE OF A DEED CONVEYING A LOT SUBJECT TO THIS DECLARATION, WAIVES ANY RIGHT WHICH OWNER MAY HAVE UNDER THE CONSTITUTION OR THE LAWS OF THE STATE OF GEORGIA OR THE CONSTITUTION OR THE LAWS OF THE UNITED STATES OF AMERICA TO NOTICE OR TO A JUDICIAL HEARING PRIOR TO THE EXERCISE OF ANY RIGHT OR REMEDY PROVIDED BY THIS DECLARATION, AND OWNER WAIVES OWNER'S RIGHTS, IF ANY, TO SET ASIDE OR INVALIDATE ANY SALE DULY CONSUMMATED IN ACCORDANCE WITH THE PROVISIONS OF THIS DECLARATION ON THE GROUNDS (IF SUCH BE THE CASE) THAT THE SALE WAS CONSUMMATED WITHOUT A PRIOR JUDICIAL HEARING. 8.05 No Waiver. The failure of the Declarant, the Association, or the Owner of any Lot, his or its respective legal representatives, heirs, successors and assigns, to enforce any Restrictions herein contained shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to any violation or breach occurring prior or subsequent thereto.

ANNEXATION AND FUTURE DEVELOPMENT

10.01 Annexation.

(a) For so long as Declarant has authority to appoint and remove Directors and Officers of the Association, additional real property may be annexed to the Property by the Declarant without the consent of the Class A Members. Such additional real property may, but does not need to be contiguous to any portion of the Property which is then subject to this Declaration; and may be either raw land which is intended to be or is in the process of being developed into residential subdivision lots, or is fully developed into residential lots at the time of annexation. Such annexation shall be accomplished by filing in the Office of the Clerk of the Superior Court of Gwinnett County, Georgia, one or more Supplementary Declarations with respect to the additional properties, executed by the Declarant, its successors or assigns, which shall extend the scheme of the Covenants contained herein to such properties and thereby subject such additions to assessment for their just share of the Association expenses. Said Supplementary Declarations may contain such complimentary additions and modifications of the Covenants contained herein as may be necessary to reflect the different character of the additional properties as are not inconsistent with the scheme of this Declaration. In no event, however, shall any such Supplementary Declaration revoke, modify or add to the Covenants established by this Declaration regarding the property described in said Exhibit "A". If the additional properties or any portion thereof are made subject to the provisions hereof, Declarant, its successors and assigns, shall have the right, but not the obligation, to construct on the additional properties such recreational and other facilities as Declarant, its successors and assigns, shall deem advisable for the common use and enjoyment of the Owners. If someone other than Declarant owns the real property to be annexed, the Supplementary Declaration shall be consented to by the owner of the real property to be annexed in addition to being signed by the Declarant.

(b) At the expiration of Declarant's right to appoint and remove Directors and Officers of the Association, no real property may be annexed to the Property unless such annexation is approved by a two-thirds (2/3) vote of the Members of the Association who are present in person or by proxy and voting at a meeting of Members duly held in accordance with the provisions of the By-Laws of the Association. Declarant also reserves the right to amend this Declaration unilaterally at any time so long as it has the authority under this Article X without the prior notice and without the consent of any owner, for the purpose of removing certain portions of the Property then owned by the Declarant or its affiliates or the Association from the provisions of this Declaration to the extent originally included in error or as a result of any changes whatsoever in the plans for the Property

desired to be effected by the Declarant, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development of the Property.

ARTICLE XI
MISCELLANEOUS

11.01 No Reverter. No restriction herein is intended to be, or shall be construed as a condition subsequent, or as creating a possibility of reverter.

11.02 Severability. A determination by a court that any provision hereof is invalid for any reason shall not affect the validity of any other provision hereof.

11.03 Headings. The headings of the Articles and Sections hereof are for convenience only and shall not affect the meaning or interpretation of the contents of this Declaration.

11.04 Gender. Throughout this Declaration, the masculine gender shall be deemed to include the feminine and neuter, and the singular, the plural, and vice versa.

11.05 Notices. All amendments, notices, requests, objections, waivers, rejections, agreements, approvals, disclosures or consent of any kind made pursuant to this Declaration, whether made by the Declarant, the Association, the ACC, the Owner, or any other person, shall be in writing. All such writings shall be sufficient only if deposited in the United States Mail, with sufficient postage, and sent to the following addresses:

(a) Declarant: Hawg Head Development Corp.
 4131 Ridge Road
 Buford, Georgia 30519

(b) Owners: Each Owner's address as registered
 with the Association in accordance
 with the By-Laws.

Any written communication transmitted in accordance with this Section 11.05 shall be deemed received on the third (3rd) day following the day such written notice is deposited in the United States Mail.

11.06 No Liability. Declarant has, using best efforts and all due diligence, prepared and recorded this Declaration so that each and every Owner shall have the right and the power to enforce the terms and provisions of this Declaration against every other Owner. However, in the event that this Declaration is, for any reason whatsoever, unenforceable by and Owner (or any other person) in a court of law or otherwise, Declarant shall have no liability of any kind as a result of such unenforceability, and each and

every owner, by acceptance of a deed conveying a Lot, acknowledges that Declarant shall have no such liability.

11.07 Insurance.

(a) At all times during the term of this Declaration, the Association, its successors and assigns, shall be required to keep any and all recreational facilities and any other improvements located on the Common Property fully insured by a reputable insurance company authorized to transact business in the State of Georgia with (i) fire, vandalism, malicious mischief and extended coverage insurance in an amount adequate to cover the cost or replacement of such improvements in the event of loss of any and/or all of such improvements, fixtures and contents thereof; and (ii) public liability insurance in such amounts as shall be determined by the Board of Directors as appropriate for the type of use which shall be allowed on the Common Property. Any such policies of insurance shall require that the certificate holders and insured be given thirty (30) days prior written notice of any cancellation of such policies.

(b) Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this paragraph, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty.

Any damage or destruction shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the total Association vote entitled to vote thereon, and, so long as the Declarant has the right to appoint and remove directors, the Declarant, otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred and twenty (120) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed.

If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board shall, without the necessity of a vote of the Association's Members, levy a special assessment. Additional assessments may be made in like

manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited for the benefit of the Association.

In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then, in that event the property shall be restored to its natural state and maintained as an undeveloped portion of the Community in a neat and attractive condition.

(c) The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the persons who are responsible hereunder for maintenance of the damaged or destroyed property.

11.08 Merger. Upon a merger or consolidation of the Association with another association, its property, rights and obligations may, by operation of law, be transferred to another surviving or consolidated association, or, in the alternative, the property, rights and obligations of another association may, by operation of law, be added to the properties of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the Covenants contained herein within the Property, together with the covenants and restrictions established upon any other properties as one plan. Except as hereinafter provided, no such merger or consolidation shall effect any revocation, change of or addition to the Covenants established by this Declaration within the Property. No such merger or consolidation shall be effective, however, unless first approved by the Association's Board of Directors and by members entitled to cast at least two-thirds (2/3) of the votes of each class of members. Notwithstanding any other language or provision to the contrary in this Declaration, in the Articles of Incorporation, or in the By-Laws of the Association, during any period in which Declarant retains the right to appoint and remove any directors and officers of the Association, Declarant may enter into a merger or a consolidation of the Association in its sole discretion, without the approval of any member or mortgagee.

11.09 Perpetuities. If any of the covenants, conditions, restrictions, or other provisions of this Declaration shall be unlawful, void, or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of George Bush, former President of the United States of America.

11.10 No Partition. There shall be no judicial partition of the Development or any part thereof, nor shall any person

acquiring any interest in the Development or any part thereof seek any such judicial partition unless the Development has been removed from the provisions of this Declaration.

ARTICLE XII
MORTGAGEE PROVISIONS

The following provisions are for the benefit of holders of first mortgages on Residences in the Development. The provisions of this Article apply to both this Declaration and to the By-Laws, notwithstanding any other provisions contained therein.

12.01 Notices of Action. An institutional holder, insurer, or guarantor of a first mortgage, who provides written request to the Association (such request to state the name and address of such holder, insurer, guarantor and the Residence number, therefore becoming an "eligible holder"), will be entitled to timely written notice of:

(a) any condemnation loss or any casualty loss which affects a material portion of the Development or which affects any Residence on which there is a first mortgage held, insured, or guaranteed by such eligible holder;

(b) any delinquency in the payment of assessments or charges owed by an Owner of a Residence subject to the mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided however, notwithstanding this provision, any holder of a first mortgage, upon request, is entitled to written notice from the Association of any default in the performance of an Owner of a Residence of any obligation under the Declaration of By-Laws of the Association which is not cured within sixty (60) days;

(c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association; or

(d) any proposed action which would require the consent of a specified percentage of eligible mortgagees.

12.02 Special FHLMC Provision. So long as required by the Federal Home Loan Mortgage Corporation and/or its successors, the following provisions apply in addition to and not in lieu of the foregoing. Unless at least two-thirds (2/3) of the first mortgagees or at least two-thirds (2/3) of the total Members of the Association entitled to vote thereon consent, the Association shall not:

(a) by act or omission seek to abandon, partition, subdivide, encumber, sell or transfer the Common Property which the Association owns, directly or indirectly (the granting of easements for public utilities or other similar purposes consistent with the

intended use of the Common Property shall not be deemed a transfer within the meaning of this subsection);

(b) change the method of determining the obligations, assessments, dues, or other charges which may be levied against an owner of a Residence;

(c) by act or omission change, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of Residences and of the Common Property. (The issuance and amendment of architectural standards, procedures, rules and regulations, or use restrictions shall not constitute a change, waiver or abandonment within the meaning of this provision.);

(d) fail to maintain insurance as required by this Declaration; or

(e) use hazard insurance proceeds for any Common Property losses for other than the repair, replacement or reconstruction of such property.

First mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Property and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and first mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

12.03 No Priority. No provision of this Declaration or the By-Laws gives or shall be construed as giving any Owner or other party priority over any rights of the first mortgagee of any Residence in the cases of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

12.04 Notice to Association. Upon request, each Owner shall be obligated to furnish to the Association the name and address of the holder of any mortgage encumbering such Owner's Residence. Further, each Owner shall be obligated to inform the Association in writing of the sale by each Owner of such Owner's residence, including the date of the sale, the name of the purchaser, and the forwarding address for the selling Owner. Such notice shall be accompanied by a copy of the deed of conveyance from the selling Owner to the purchaser.

12.05 Amendment by Board. Should either the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation and/or their respective successors subsequently delete any of their respective requirements which necessitate the provisions of this Article or make any such requirements less

stringent, the Board, without approval of the Owners, may cause an amendment to this Article to be recorded to reflect such changes.

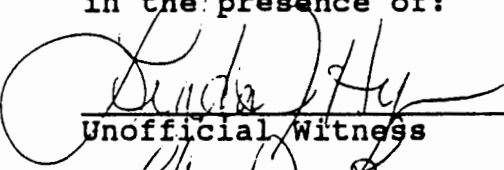

12.06 Applicability of Article XII. Nothing contained in this Article shall be construed to reduce the percentage vote that must otherwise be obtained under the Declaration, By-Laws, or Georgia law for any of the acts set out in this Article.

12.07 Failure of Mortgagee to Respond. Any mortgagee who receives a written request from the Board to respond to or consent to any action shall be deemed to have approved such action if the Association does not receive a written response from the Mortgagee within thirty (30) days of the date of the Association's request.

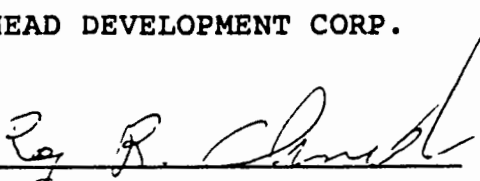

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be duly executed and sealed the day and year first above written.
